# GENERAL STATISTICS OF MANUFACTURES FOR PRIVATE FIRMS AND CORPORATIONS: BY TOWNS.

[In this presentation, the information given in this volume in preceding town presentations, relating to Number of Establishments (page 3), Number of Partners and Stockholders (page 119), Amount of Capital Invested (page 127), Value of Stock Used (page 137), Value of Goods Made and Work Done (page 159), Number of Persons Employed (page 175), and Total Wages Paid (page 225), is brought into one table. The table shows further the respective numbers, values, etc., for each city and town, as regards private firms and corporations. In the consideration of the table, or in its use for purposes of comparison, reference should be made to the explanatory pages, head-notes, and foot-notes of the various town presentations, for which reference pages are given above, and also to the "ANALYSIS."

The designation, an asterisk and dash (\*—), indicates that figures have been intentionally omitted in city or town presentations in order to avoid disclosing the facts concerning individual establishments. These figures are, however, included in the county and State totals.]

## DATE OF ESTABLISHMENT: BY INDUSTRIES.

[This table shows the origin and growth of manufacturing industries by industry groupings, such as "Agricultural Implements," "Boots and Shoes," "Cotton Goods," etc. Each city and town in which each particular industry existed, in the Census Year, appears in the proper industry grouping. The number established in years specified is shown as follows: under "Agricultural Implements," in the town of Tyringham, one establishment was opened in 1828 (1828/1), one in 1848 (1848/1), and one in 1869 (1869/1). The term "Unk" denotes that the particular year in which the establishment was opened is "unknown."]
